Manna Bread™,® Carrot Raisin, Cinnamon Date, Fruit and Nut, Millet Rice, Multigrain, SunSeed, and Whole Rye

This is a very pure, tasty and unique sprouted bread made without flour, yeast, sugar or salt. The baking is done in a manner that retains the excellent nutrition. Its sweet, moist, cake-like flavour and consistency are the result of naturally sprouting the grains for optimal nutrition, a process that converts the grain starch into maltose and other complex natural sugars.

Special attributes: Ingredients available from local producers are used when possible. For instance, carrots used in Carrot Raisin Manna Bread are from local BC, certified organic farms in season; out of season, they are from imported organic varieties. The sprouted whole wheat kernels come from the same Saskatchewan organic-farming family that has supplied Nature's Path from its beginning. Manna Bread is very high in natural fiber. It is best stored frozen until use and, once thawed, lasts 3 days in the fridge. Unit size: 400 gram loaf individually sealed in inner and outer moisture barrier.

Package features: Labeling printed directly on plastic bag to reduce packaging. Takes minimal space in freezer. Packaging presentation: Attractive simple package. Find full description, picture and ingredients at:
