Taste Buddies Miniature Vegetables - these products are cool in appearance and make unique side dishes and snacks. They're easy to use and have many applications. Most of all, they are fun to eat!

Products Available:

Mini-Cucumbers - Year Round

These are the mini versions of the Long English Cucumbers that are smaller in size and diameter. The texture is a little crunchier, and the deliciously sweet flavour makes them excellent to snack on by themselves or in salads, cold vegetable platters or as garnishes. Kids love them!

Campari Tomatoes on the Vine - Year Round

Vibrant red, cocktail-sized tomatoes. They are hydroponically grown in greenhouses and are about 2" in diameter. These tomatoes offer vine-ripened, fresh flavour and are sold in clusters on the vine to ensure peak freshness and flavour.

Long English Cucumbers - Year Round

Seedless with a thin, deep-green, unwaxed skin that is never bitter. The skin adds crunch to the refreshing flavour. Long English Cucumbers are great for salads, sandwiches, salsas, dressings, dips, sauces, soups, garnishes and cold vegetable platters.

Roma Tomatoes on the Vine - Year Round

Long, almost egg-shaped tomatoes with firm, red, meaty flesh, very few seeds and skin that is easy to peel. High acid level makes them perfect for sauces, soups and salsas. Roma tomatoes on the vine are hydroponically grown in a greenhouse.

Sweetooth Peppers - Year Round

Long cone-shaped peppers with shiny, crunchy skins that cover thick, juicy walls. These peppers are sweeter than Sweet Bell peppers, and their tiny seed caps make them easy to cut into rings, enhancing presentation.

Beefsteak Tomatoes - Fall Spring Summer

We grow large crisp beefsteak tomatoes in our greenhouse. These are great for salads or burgers.

Butter Head Lettuce - Year Round

We grow beautiful butterhead lettuce hydroponically in our greenhouse. We leave the roots stock on the lettuce to increase it's shelf life.

Heirloom Tomatoes - Fall Spring Summer

We grow a variety of heirloom tomatoes that are a variety of colours. The flavor of these tomatoes is exceptional and is a great addition to any salad.

Apple Cider - Fall Winter

We press our own Apple Cider here on our farm made from our own apples. We do not add water or any other ingredients to our Apple Cider. You can get the cider two different ways: Fresh Cider: is UV light pasteurized and is served in plastic containers (like milk jugs). This has a two week shelf life. Glass: Our cider that is served in our unique glass jugs is boiled and will keep on a shelf for years. It only needs to be refrigerated after it has been opened.

Black Currant and Red Currant Jams - Year Round

On our farm we also grow currants and have made our own black currant and red currant jams. This can be ordered in either 250ml or 125ml class jars.

Campari Tomatoes - Fall Spring Summer

The red plump tomatoes are a great size for salads and are also grown in our greenhouse.

Long English Cucumbers - Year Round

Our Long English Cucumbers are a consistent size and have a great flavor. They are grown in a hydroponic greenhouse and we have an aggressive IPM program to reduce or eliminate the need for sprays.

Mini Cucumbers - Year Round

Our mini cucumbers are very sweet and crunchy. They are grown in a hydroponic greenhouse and we have an aggressive IPM program to reduce or eliminate the need for sprays.

Red Pepper Jelly - Year Round

We also have a greenhouse where we grow an assortment of veggies, including peppers. We have used the peppers to make a red pepper jelly. This is a spicy red pepper jelly containing jalepenos but it is great with mozzarella sticks, pizza or on chicken.

Spiced Apple Cider - Fall Winter

We also make another variety of the same cider but we add mulling spices. This is popular at Christmas time and is great cold or served as a warm cider. Some restaurants we have sold to add rum to this warm drink at Christmas time and tell me it is quite popular. The Spiced Cider comes in glass only for clients who are re-selling it but for serving purposes it can be sold in plastic with about a 6 week shelf life.
