V0E 2G0

**Regions Supplied:** Cariboo Kootenay Thompson okanagan

### Company Notes:

Our garlic is cultivated by hand on a small scale to ensure a top quality bulb with good to excellent storeability and fine flavour.

Varieties for 2010 include "Russian Red" garlic (hardneck), "Skye Farm Mystery" Garlic (Silverskin) , "China Rose" Garlic (softneck with intense purple stripes)

### Products Available:

**Purple-stripe (hardneck) Garlic var. "Ukrainian" - Summer Winter**

6-18 narrow cloves per bulb. Unique mellow flavour. Available Seasonally.

**Artichoke (softneck) Garlic var. "Italian" - Summer Winter**

15-30 cloves per bulb mild to med heat earthy flavour. Very good keeper, sold in 2 lb braids. Available Seasonally.

**Porcelain (hardneck) Garlic var. "Yugoslavian" - Summer Winter**

4-6 large cloves per bulb hot, pungent, intense flavour. Good keeper. Available Seasonally.

**Purple-stripe (hardneck) Garlic var. "German Red" - Summer Winter**

6-12 large cloves per bulb. Hot spicy flavour. Available Seasonally.

**Regions Supplied:** All of BC

### **Company Notes:**

Three Boys Organics is situated in the Kootenays. It is a family-operated business created for our three boys. They are full partners in this adventure. Our goal is to produce Great Organic Garlic. We concentrate on two main hardneck varieties, Italian Porcelain and German Red garlic, both rich in flavour and long storage.

### **Products Available:**

#### **Fresh Organic Garlic - Hardneck - German Red - Fall Summer**

Large heads with 8-10 cloves. Strong flavour, excellent storage, usually up to 10 months.

#### **Dried Organic Garlic - Hardneck - Italian Porcelain - Fall Spring Summer Winter Year Round**

Strong rich flavour. In a crystal form, very easy to use as is or to grind into a powder. Excellent shelf life. Available in 1 lb bags and produced from our own certified organic bulbs.

#### **Fresh Organic Garlic - Hardneck - Italian Porcelain - Fall Summer**

Large, easy-to-peel cloves. Excellent shelf life, usually up to 10 months. Great rich flavour in a large bulb with 5-7 cloves. Available seasonally.
