### Company Notes:

Okanagan Lavender is a vertically integrated farm. We grow, harvest, process, manufacture and market all of our products â€” about 24 in total. We have created many bath, culinary and home products using essential oils and the dried buds of the lavender plant. We use only natural ingredients; no additives, fillers, colourants or preservatives. Everything is made in small batches and often made fresh each week - we aspire to demonstrate our attention to detail in the quality of our products.

#### Lavender Jelly - Year Round

Hand made in small batches at our farm in the Okanagan. May be used as a glaze on salmon and lamb. Delicious served with strong, soft cheeses such as a French camembert. This jelly recipe took me four years to perfect and the recipe was tested and increased for me at the Summerland Research Station. Our lavender is completely spray-free, but not certified organic.
