## Company Notes:

Sun Valley prides itself on its outstanding service and quality. We have been servicing the Okanagan for over 15 years. We are a specifically fresh only processor with availability of products year round from chopped romaine to dices golden beets, if its a vegetable we probably process it. Processed vegetables in any dimension shape and size. Specifically bagged to the final users specifications. Modified atmosphere to fresh vac pack capabilities. We process combo kits as well like fresh salad kits, fresh pasta kits with fresh veggies, also fresh sandwiches and veggie snack cups. These products are primarily for convenience and fruit stand type business. It gives the seller an opportunity to feature beautiful fresh made products without having to have the facilities to prepare the dishes on site. The kits come with everything you need to make the product like dressing or sauce and veg blends bowls and labels. Its a complete party in a package!!! Very affordable and convenient...
