Company Notes:

Happy Days Goat Dairy was founded in 1993 as a family business in Salmon Arm, BC. We are the largest supplier of fluid goat milk in Western Canada and play an important role in supplying retail stores and the food service industry with a variety of goat milk, goat milk cheeses, goat milk yogurts, and goat milk ice cream.

Products Available:

Goat Milk Kefir - Year Round

We are proud to be the first dairy offering a goat milk kefir. It comes in a plain and blueberry version. Kefir is a natural effervescence, producing gas; that's why we package it into a PET bottle. Kefir is the world champion product in offering live microorganisms, billions in just one tablespoon. It is also called the drink of the centenarians.

Goat Milk Yogurt in different Flavours - Year Round

Our regular goat milk yogurt now comes in strawberry and vanilla (both of course with natural flavor) and we use the highly beneficial bacteria acidophilus and bifidus. Our newest yogurt product is a probiotic drink available in vanilla or plain, that contains three different probiotic live bacteria cultures (acidophilus, bifidus, and L. Casei). We do not add any agar, which leaves the product liquidy and easy to drink.

Natural Whole Goat Milk - Year Round

Happy Days offers 100% pure fluid Whole Goat Milk in both the 2 L and 1 L size as well as Skim Goat Milk in the 1 L size.

Company Notes:

Sugarplum Desserts is a local, family-owned and operated BC company. Growing steadily from our debut in 1984, we now serve more than 60 varieties of quality desserts. Our specialites include a wide selection of baked cheesecakes, mousse cakes, layered cakes, pre-portioned ready-to-bake cookie dough pucks, and thaw-and-served baked cookies. We make the majority of our dessert products from scratch at our modern facility in Langley, BC. Over 50% of the ingredients used in our products are locally processed. We focus on developing products with high quality, natural ingredients. Our emphasis on quality is the cornerstone of our success and ensures our products meet the demands of today's discerning consumers. All our cakes are uniquely hand decorated, and our premium lines feature signature chocolate decorations, real whipped creams and scratch-made butter creams. Sugarplum is unique in that we are able to provide hand-decorated, customized cakes in different package sizes to large food service distributors, thereby providing more choice and differentiation for their customers' changing desires. We also work closely with smaller distributors and retailers to provide the exact dessert products they require. Finished products can be flash-frozen for maximum freshness and held in cold storage for shipment across Canada. The frozen shelf life is 9 months and the refrigerated shelf life is 3 to 5 days.
