Company Notes:

Fresh "Quality Guranteed" sweet corn is picked daily and sold direct within six hours of picking. Chilliwack is known for its excellent corn-growing conditions, producing the best quality corn. From there, the Sparkes Corn Barn goes many steps further in ensuring that our corn's maturity and varieties are second to none. This is why we ship from Vancouver Island to Northern BC and into Alberta. All of our corn is handpicked.

Products Available:

Sweet Chilliwack Corn - Fall

Corn on the cob, super sweet, triple sweet and bi-colour varieties. We sell fresh corn by the dozen, 1/2 dozen and also wholesale in watermelon bins holding 50 - 75 dozen each. A watermelon bin fits on a 40" x 48" pallet. All corn is hand picked.
