Company Notes:

Sepp's™s Gourmet Foods produces value-added, specialty frozen foods for the freezer, bakery and deli sections of retail grocery stores and for the food service sector. Sepp's three manufacturing facilities in Canada produce great tasting, convenient food products under the Sepp's brand as well as under other brands.

Feel free to contact us about our private label capabilities. With AIB certification, USDA/CFIA approved HACCP facilities, Kosher certification, and organic certification, Sepp's is able to provide a broad range of private label products. Please see our website at www.seppsfoods.com.
